TORBJORN B. (Turbo) SJOGREN

**Vice President
Air Force Fighters & Aircraft Sustainment
Global Services & Support**

Torbjorn (Turbo) Sjogren is Vice President of Air Force (AF) Fighters and Aircraft Sustainment, in the company's Integrated Logistics division of Global Services & Support (GS&S).

AF Fighters and Aircraft Sustainment provides modernization and sustainment solutions for the U.S. and other worldwide customers. Current platforms in this portfolio include support for the US Air Force on the F-15, A-10, F-22, T-38, and the QF-16 aerial target. Additionally, this organization offers F-15 Upgrades and Long-Term Sustainment solutions for F-15 customers in the middle east and eastern Asia, such as Saudi Arabia and Japan.

Sjogren joined Boeing in 1996 and prior assignments include Vice President of Global Modifications & Upgrades, Vice President of International Operations & Compliance, Vice President of International Support Systems in GS&S, Lead counsel to GS&S, and Corporate International counsel. Prior to joining Boeing, he specialized in international commercial, corporate and regulatory law at Sher & Blackwell and Dow, Lohnes and Albertson, in Washington D.C.

Sjogren holds a Bachelor of Arts Degree from the University of Cape Town, South Africa, and a Juris Doctorate Degree from Tulane Law School, New Orleans, La.
